The committee reviewed proposed changes to 10.15 Student Dress Code policy and administrative regulations. The committee had no objection to revisions. There was discussion regarding specifics of the administrative regulation, specifically as it pertains to interpretation at elementary and secondary level (for examples, leggings, shoes, and jackets).

Dr. Einhorn shared that departments and schools are working on the FY 19 Budget. Requests will be shared at the October Board meeting.

Dr. Einhorn shared policy and administrative regulation for 10.4 Attendance Areas, Redistricting, and Retirement of Facilities. The Board has authorized a committee to be established for exploring the possible redistricting of WMES students back to Moton after the completion of the construction of the new school. In October, the Board will consider the possibility of establishing a committee to provide

recommendations on Tilghman Elementary School based on declining enrollment trends.
