BULLETIN BOARD USE

I. Posting Approval

- A. All notices, advertisements, and personal announcements should be approved by the principal or school manager before being posted on school bulletin boards. Materials posted without prior approval shall be removed.
- B. All materials received via the courier service or via email with the indication that it is to be posted, should be dated and carry an approval by an authorized administrator. Any administrator in doubt about the relevance of the material to be posted should contact the staff member approving the posted material.
