ADOPTED: 06/04/80
REVIEWED: 06/21/10**

RELATIONS WITH PARENT ORGANIZATIONS

- I. Teachers are encouraged to attend meetings of their school's parent organization.
- II. Administrators should encourage all teachers to develop a professional need/or desire to attend a "Back to School Night" or similarly scheduled activities during the school year.
- III. School principals should schedule these events well in advance so teachers would have a reasonable period of time to arrange their schedules for active participation.
- IV. Teachers are encouraged to attend community related functions scheduled after the regular work day.
