TEST SECURITY AND DATA REPORTING POLICY AND PROCEDURES

I.   State-mandated tests are an important part of the educational process. The Talbot County Board of Education is committed to provide and enforce provisions for the security of state-mandated testing materials, the ethical administration of state-mandated tests, and the accurate reporting of test data in order to ensure the accurate and fair reporting of individual student test results, as well as individual school and system performance results.

II.   The Superintendent shall establish appropriate procedures and guidelines consistent with this policy.
