ADMISSION OF EXCHANGE STUDENTS

The Board recognizes the cultural benefits of foreign exchange student programs and authorizes the Superintendent to accept foreign exchange students into the schools on a tuition-free basis.

- I. The Superintendent is directed to develop regulations to govern the admission of exchange students with attention to:
 - A. Application procedures and records requirements.
 - B. Specific expectations of exchange students and host families.
 - C. Limiting the number of exchange students in each school yearly.

Exchange programs recognized by the Board of Education are those listed in the Council on Standards for International Educational Travel (CSIET) Advisory List.

Other sponsors will be considered only upon their timely application for review. New sponsors' applications must be filed with the Superintendent's office at least two months in advance of any anticipated student placement.
