IMMUNIZATIONS OF STUDENTS

The Talbot County Board of Education recognizes the need for students to be immunized. The Department of Health and Mental Hygiene Regulation 10.06.04.01 requires that a school principal or other person in charge of a school, public or private, may not knowingly admit a pupil to, or retain a pupil in a school who has not furnished evidence of age-appropriate immunizations as specified in the "Maryland School Immunization Regulations and Guidelines (November 24, 2005)", subject to the exceptions set forth in Regulation 10.06.04, 10.06.05 and 10.06.06.
