

Family Activities

At Easton Elementary School, we provide many ways for parents and families to be involved in their child(ren)'s education. In August, we offer individual face-to-face conferences at times convenient for parents and guardians. This annual meeting covers Title I programs and services, grade level expectations and Maryland College and Career Ready Standards. We also work to ensure that parents and teachers know how best to maintain two-way communication about student progress.

We also offer a range of parent and family activities throughout the school year, including:

- Learning Parties
- Fall Open House
- Spring Literacy and Math Night
- Other events as requested by parents

As partners in your child's education, your input on the EES School Improvement Plan, Home School Compact, Parent and Family Engagement (PFE) Plan and spending of the PFE funds is welcomed and encouraged. Please share your ideas by attending School Improvement, PTO or Parent Advisory Council meetings.

We can provide transportation, child care, interpreters or other accommodations as needed. Contact Dr. Lisa Devaric at ldavaric@talbotschools.org or (410) 822-0550

PARENT AND FAMILY ENGAGEMENT FUNDS

By law, 1% of Talbot County's Title I allocation must be set-aside for Parent and Family Engagement activities.

At Easton Elementary, the set-aside for 2021-22 is \$8500

In previous years, these funds were used to pay for the Fall Open House, Fall Literacy Night and Pre-K/K Orientation Event.

Parent input on how these funds are spent is vital. To submit your ideas or comments, call EES Principal Dr. Lisa Devaric at (410) 822-0550, or e-mail at ldevaric@talbotschools.org
