The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately.

This is only a summary. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can see the Glossary at <u>www.carefirst.com/sbcg</u> or call 1-855-258-6518 to request a copy. For more information about your coverage, or to get a copy of the complete terms of coverage, please visit <u>www.carefirst.com</u>.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-Network: \$0; Out-of-Network: \$200 individual/\$600 family	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family member(s) on the <u>plan</u> , each family member may need to meet their own individual <u>deductible</u> , OR all family members may combine to meet the overall family <u>deductible</u> before the <u>plan</u> begins to pay, depending upon plan coverage. Please refer to your contract for further details.
Are there services covered before you meet your deductible?	Yes, all In-Network services are provided without a deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	There are no other specific deductibles.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	Medical: In-Network: \$800 individual/\$2,400 family; Out-of-Network: \$800 individual/\$2,400 family. Prescription Drug: \$5,100 individual/\$10,200 family	The <u>out-of-pocket limit</u> is the most you could pay in a <u>plan</u> year for covered services. If you have other family member(s) on the <u>plan</u> , each family member may need to meet their own <u>out-of-pocket limits</u> , OR all family members may combine to meet the overall family <u>out-of-pocket limit</u> , depending upon <u>plan</u> coverage. Please refer to your contract for further details.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing charges, health care this plan doesn't cover, copayments for certain services, and penalties for failure to obtain preauthorization for services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See <a href="www.carefirst.com">www.carefirst.com</a> or call 855-258-6518 for a list of Network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.

Do you need a <u>referral</u> to see a <u>specialist</u>?

No.

You can see the <u>specialist</u> you choose without a <u>referral</u>.
